

Step-by-Step Sign Ups

Step 1: Visit the library to sign up!
Monday, June 12th - Friday, June 30th.

Preschool aged children and younger can participate in our Read With Me Program. Come sign up and pick up an activity card. If 15 of the 20 activities on the chart are completed, hand in your chart by August 5th for a prize at the end of the summer!

Those going into Kindergarten and up can choose a goal of how many books they plan to read this summer! (If you read more books or are over ambitious, with your goal, you may change your goal at any time.) We want everyone to reach their goal! We will have prizes at the end of the summer for everyone who reaches their goal.

Step 2: Sign up for programs you wish to attend this summer. Sign ups will be available throughout the summer for programs, but this is your chance to make sure your name is on the list for programs with limits!

Step 3: READ BOOKS, work toward your goal and have fun!

Step 4: Visit the library and come to programs!

Step 5: Hand in your chart by Saturday, August 5th to receive a prize for reaching your goal!

Step 6: Join us at the Survivors Picnic at 11am on August 11th at Fox Park!
This event is a potluck! Please register and indicate a dish you'll bring. Prizes will be handed out at the picnic. If you cannot attend the picnic you can pick up your prizes and certificates at the library through the first week in September. We understand people go on vacation!

Build A Better World

Week 1

Book Buddies- Mondays from 1-2pm
Read to Jack, a certified therapy dog!

Lego Club and Tech Time- Mondays from 2-4:30
New Lego challenge each week! Play with ozobots, snap circuits and more!

Sewing
Wednesday, June 28, 11-1pm
No-sew Patriotic wreaths. Limited to 15. 2nd grade +. Registration required.

Squam Lakes Science Center Presentation
Friday, June 30, 3pm

Animal Architects: Building Habitat
We don't typically think of animals when we think of architects and building, but many of our wild animal neighbors are habitat architects. A Squam Lakes Natural Science Center naturalist will show you three live wild animal architects and the habitats they build.

Week 2

Book Buddies- Mondays from 1-2pm
Read to Jack, a certified therapy dog!

Lego Club and Tech Time- Mondays from 2-4:30
New Lego challenge each week! Play with ozobots, snap circuits and more!

Teen Night
Thursday, July 6, 5:30-7:30
Game night! Come play the Wii and various board games! Feel free to bring your own. 6th grade +.

Touch a Truck (Plymouth Municipal Airport, 111 Quincy Road)
Saturday, July 8, 12-3pm Touch a truck is a fun filled family event meant to be enjoyed by children of all ages! Children can meet local heroes, ask questions, and have hands on experiences with their favorite vehicles. Come see fire trucks, police cars, tractors and more!

Week 3
