

PEASE PUBLIC LIBRARY
WIRELESS INTERNET POLICY

Purpose: To expand upon the Library's mission to provide public access to information in a wide range of formats, The Pease Public Library provides wireless internet access as a service for users with wireless enabled laptops, mobile devices or tablets.

The Pease Public Library is committed to providing an environment appropriate for its patrons and employees. Patrons utilizing the wireless connection agree to comply with all provisions of the Library's Internet Access and Computer Use Policies. Wireless Internet users are asked to refrain from displaying materials on their personal computers, mobile devices or tablets that may be interpreted as intimidating, hostile, offensive or inappropriate. Internet users should not display offensive material to passersby. Transmission, reception, or display of any material of communications in violation of any U.S. or state regulation is prohibited, including but not limited to:

- Unauthorized duplication of copyrighted material
- Access or dissemination of threatening or obscene material, or of material protected as trade secrets.

Disclaimer:

The Library's wireless connection is unencrypted and unfiltered. Use of the wireless connection is done at the patron's own risk. By using this connection, patrons acknowledge that hacking and security concerns are an inherent risk associated with any wireless service. For that reason, patrons expressly agree that they knowingly assume such risk, and further agree to hold the Library harmless from any claim or loss arising out of, or related to, any such instance of hacking or other unauthorized use of access into the patron's computer, mobile device or tablet.

The Library accepts no responsibility for any software downloaded and/or installed, email opened, or sites accessed while patrons are using the Library's wireless Internet connection. Any damage done to the patron's equipment or self from accessing the Internet from the Library's wireless access point is the sole responsibility of the patron; and the patron indemnifies and holds harmless the Library from any such damage.

The Library accepts no responsibility regarding the ability of patron-owned equipment to connect to the wireless network. Library staff will not change settings on patron equipment, unless expressly invited to do so as part of a user's request to troubleshoot and/or resolve the device's connectivity issues with the library's network.

In addition, patrons shall agree to hold harmless, indemnify, and unconditionally reimburse the Pease Public Library of any damage, liability, costs, claims, or expenses that the Pease Public Library may incur that arises in any manner from any use or misuse of the Internet by a patron.
